

Rocky Mountain ENT

We are Open to Non-Urgent Appointments & Elective Procedures

As you may know, Governor Bullock has announced initial steps to reopen the Montana economy, including loosening restrictions on medical facilities & elective procedures. As a result, on Monday May 4th we will start to resume regular non-urgent appointments and surgeries.

While we are excited about welcoming more patients back to our practice, keeping everyone safe and healthy remains our top priority. All of our current COVID-19 safety protocols will remain in place. We ask all patients to bring and wear a mask for their appointments. This is a precaution we are taking to help protect the health of all of our patients and team. Please reach out to us if you have any questions.

To schedule an appointment visit us on the web at www.rockymountainentcenter.com or call 406-541-3277.

We have appreciated our patients' understanding during this challenging time and are excited to see all of you again!

Stay Strong Montana. We will get through this together!

Ryan L. Peterson, B.S., H.C.A

Chief Executive Officer
